Pump in Red Grease until all old grease comes out.

Heavy Duty Red Grease

Red Grease is an all purpose non-melt grease especially formulated with extreme pressure and anti-wear additives to provide heavy duty service. It is one of very few greases able to withstand heavy shock load and impact pressures of 65 Timken load capabilities. This product has excellent adhesive and cohesive properties. It resists most acids, weather, dirt, salts spray, steam and oxidation. Our product protects equipment indoors and outdoors even under high temperatures and heavy loads.

- ⇒ Exceptional adhesive-cohesive and anti wear properties.
- ⇒ Gives extra cushioning that reduces shock and noise.
- ⇒ Performs at a wide variety of temperatures up to 550 F.
- ⇒ Excellent outdoor resistance, extreme pressure and high heat resistance.
- ⇒ Seals out dust-dirt contaminants, prolongs life of metal plants.
- ⇒ Contains special corrosion and rust inhibitors.

Uses

- * Automotive
- * Paper Mills
- * Oil Fields
- * Elevators
- * Mining
- * Cement Plants
- * Farms
- * Sugar Cane Mills
- * Steel Mills
- * Textile Plants
- * Aircraft
- * Food Plants
- * Bottling Plants
- * Dairies
- * Marine
- * Air Conditioning
- * Construction
- * Lumber Mills
- * Sewage Plants
- * Cotton Gins
